Hi Russell,

I wanted to check in with you. Apparently the TOCOR for this TO has not received the "credit" invoice notice yet that we've been discussing. Can you follow up on your end to see if it is being submitted any time soon, please?

Thanks

Hello Andie,

IPP credit invoice was a success! If the new balance equals the mod amount, we can execute.

Morning,

Thank you Jorge and we received the same information when inquiring internally;

The end result is that the contractor has to submit a "credit memo". Not sure what that entails and if not apparent please kindly ask the contractor to call the IPP Helpdesk again for information on how the "credit memo process" works.

Thank you,

Andie

Hi Russ,

There is a way to enter credits into the IPP. See the note below from Clint Thomson.

Let us know if it works. We can then amend the PR for the MOD that is needed to de-obligate the balance of the funds.

Good morning Jorge,

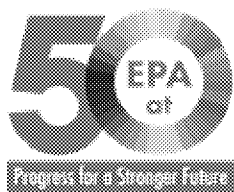

This is what I found out. The vendor can submit credit invoice in IPP. There is a feature in IPP called credit memo and the vendor can submit credit invoices just like normal invoices. When submitting invoices via credit memo, the vendor enters the amounts as debit.

Hope this helps.

Good morning Clint,

This is the email string I referenced about the IPP credit issue with NAS. Any guidance would be helpful. There has to be a way for us to get "CREDIT" back on our awards.

Good morning Andie,

We're being told by IPP that negative invoices are not possible. Let me know what other options we have to resolve. It appears that we may need to write EPA a check for that amount.

Hi Jorge,

I confirmed that we did invoice for it, but it is not possible to submit a negative invoice via IPP. Is it an option to leave this TO as is and issue the credit to another EPA TO?

Russ,

Our system shows \$13,985.30. Can you tell us when you will be issuing the "Credit"? I can quickly check on our end once I hear from you. We won't be able to finalize the process on our end until that credit gets processed.

Thanks

Hello Andie,

NAS shows a balance of \$14,505.51. This is due to a credit (refund) for an unused domestic airline ticket. Let me how you want to handle. Thanks.
